EXCEPCIONAL FRIZZ CONTROL, ELASTICITY AND SMOOTHNESS. A NEW BEAUTY RITUAL TO RESTORE THE SPLendor TO HAIR.

An innovative Orofluido hair care range, inspired by the Japanese Tsubaki trend, that provides an anti-frizz effect, leaving hair smooth and flexible.

A new beauty ritual range made with three special ingredients, carefully chosen and precisely blended, are the essence of the new Orofluido Asia. Tsubaki Oil, known as “the treasure of Asia” for its anti-oxidant properties, that conditions and protects hair while promoting frizz control, Rice oil and Bamboo extract that have traditionally been used as hair care remedies. An enticing blend that will transport you to the heart of Asia to experience the sensuality that Oriental women have known for centuries.
All the formulas combine in harmonious balance the legendary smoothness of tsubaki (camellia) oil, the extraordinary strength and flexibility of bamboo, and the outstanding nourishing properties of rice oil. With a delicate and captivating fragrance of fruits and flowers. A zen beauty ritual for an exceptional frizz control, elasticity and smoothness.
